

City of Hudsonville – Advisory Committee
Minutes
February 13, 2019

Members present: Jennifer Blood, Ben Mol, and Matt Harris. Members absent: Greg Steigenga, Larry Gemmen, Helen Cnossen, Ashley Prins,
Staff present: Patrick Waterman, Michelle Fare, Teri Schut.

1. **Welcome:** Fare called the meeting to order at 3:00 p.m. and welcomed everyone.
2. **Consent Agenda:** Fare reviewed the included items, but no action was taken.
3. **Market Liquor Licenses:** Schut gave an update on market liquor licenses. She spoke with the Liquor Control Commission and multiple organizations can have a license, but the group agreed to treat them like any other vendor category and give the manager ability to determine the appropriate number of vendors in that category at each market.
4. **Sonder Eatery:** Waterman gave an update about Sonder Eatery and shared their plans to update some signage.
5. **Staffing:** Fare shared that staff is interviewing for another market assistant to cover gaps when Jacqui goes on maternity leave and Claire does study abroad. It is possible another assistant will be also hired for the summer.
6. **Market Manger Report:** Schut reviewed preparations for the 2019 market, as well as event requests. She also shared an update on her Market Manager certification training.
7. **Workspace Feedback:** Harris reported that the group was overall happy. If additional seating is added, they would still like additional stations that are intended for longer working hours like the sit/stand tables.

The meeting was adjourned at 4:00 p.m.
