Members absent: Larry Gemmen, Ben Mol, and Matt Harris.

1. **Welcome:** Steigenga called the meeting to order at 3:00 p.m. and welcomed everyone.
2. **Consent Agenda:** There was a motion by Blood, support by Clossen, and unanimous support to approve the consent agenda.
3. **Market Liquor Licenses:** Schut gave an update on market liquor licenses. She spoke with the Liquor Control Commission and multiple organizations can have a license, but the group agreed to treat them like any other vendor category and give the manager ability to determine the appropriate number of vendors in that category at each market.
4. **Market Manager Report:** Schut reviewed preparations for the 2019 market, as well as event requests. She also shared an update on her Market Manager certification training. The board requested that staff review the sound equipment issues with WCET and VanNoord. They also approved staff pricing a laptop for public use, the installation of the HDMI port in the market space, and encouraged staff to work on a survey for renters.

The meeting was adjourned at 4:00 p.m.
